# Centralia Delivers Unbeatable Return On Investment

Compared to the cost of your typical business trip, Centralia delivers excellent value for your business development dollar. Not only will you get up to 14 meetings with pre-qualified companies, you'll also have countless other networking opportunities throughout the 2½ days of the event. Add to that the numerous educational and cultural opportunities that Centralia offers, and it all adds up to the most cost effective business trip you will take this year.

Look what you get for one low all-inclusive price:

- Up to 14 meetings (30 minutes each) with pre-qualified companies
- Access to international trade specialists
- Translators (English, French, Spanish) for all meetings (if required)
- Admittance to welcome reception and Centralia's keynote address by Malcolm Gladwell. Named one of Time Magazine's 100 Most Influential People, Gladwell (a staff writer for The New Yorker magazine) is known for his paradigm changing ideas on contemporary society and business. He has written several best selling books including *Blink*, *The Tipping Point* and *Outliers: The Story of Success*.
- Guided tours of Manitoba industries
- All meals for the event (7)
- Evening entertainment
- Transportation to/from hotel and venues
